April Speaker- Sharon Schamber

Sharon Schamber first came to national attention with her mural-quilt depicting the famous Indian Chief, Sitting Bull. She has since created mural sized art quilts commemorating Sacagawea, guide for the Lewis and Clark Expedition, and child victims of Autism. She is known for her exquisite details and creative use of mixed media. Each of her quilts are original designs, each perfectly finished and awe-inspiring. This year Sharon won Best of Show at the huge Houston Quilt Exposition. Last year she was the featured quilter at Road to California. She is a dedicated teacher, investigating every step of a process to ensure accuracy and every piece of quilting equipment to find the best and most economical tool for every situation. She is the nation's acknowledged expert and inventor of "Piec-lique" an easy technique for inserting curved seams into a design. Here are some excerpts from Sharon's book Piec-lique, Curves the new Way:

"I started my quilting just like most of you do, buying the wrong fabric, using the wrong batting, and using the wrong needles. With time, I learned to use what really works for me, even though the product might not be known as the "right" one...The first year was just a spin of learning and creating a base for future quilts...Living way out in the middle of nowhere as I do, there were no classes to take. I was desperate to learn what quilting was all about. I bought as many books as were available and joined my local quilt guild."

I was told "that it was rude to ask how many stitches per inch I needed to make my quilts 'right'. This was my first indication that I needed to be a teacher. I know that it is never rude to ask anything if you are trying to learn a new skill...I love appliqué so much that I had to figure out another method so I could have it look like needle-turn, hence the development of Piec-lique."

Sharon's patterns, Piec-lique book, and instructional videos will be available for purchase at the meeting only, so come prepared. After seeing her trunk show, you will definitely want to learn her techniques. She also has published a series of books of continuous quilting designs suitable for home or long-arm machines.

Workshop- Piece-lique'

We will be learning a new way to appliqué easy curves. It is all done by machine with an innovating technique. With Piece-lique, you will no longer need to use pins to sew curved seams. Inset and layered are two of the applications we will be learning as we make "Suzie Q" a gently curved flower.

(Supply list is available online if you didn't get it at the meeting.

Www.sharonschamber.com go to Piece-lique, 6hr SuzieQ)

Pattern / handout fee \$20.00 due at class.

Come join us and learn this exciting technique.

President's Message

What a wonderful workshop we had with Cathy Van Bruggen! She has such great ideas and techniques. I enjoyed it so much, and I didn't think I even liked appliqué!! Her quilts are a treasure too. Thank you Cathy.

I would like to take the time to thank all of the officers and committee members who are working so hard at their jobs. They are making my job so much easier. I want to let them know how much I appreciate them. You are a great bunch to work with. I value your input.

Every year we recognize one outstanding member. I was the lucky one to be honored last year and I thank you. We have plenty of ladies who work "behind the scenes" every meeting, and I would like to recognize these "**Un Sung Heroes**". **Bea Viera** is just one of the many tireless workers. She does so much with Philanthropy and we thank her and want her to know just how much she is appreciated. I would like to show our appreciation to a couple of hard working ladies each month. Stay tuned for the next heroines.

Please pick up your Opportunity tickets from Mary. Let's all try to buy/or sell as many as we can. Lots of great talent, and effort went into the making of our beautiful quilt. We want it to bring in the money that it deserves.

Ann Volpe is selling tickets for a Pfaff sewing machine that was donated to us from Moore's sewing center (Thank You Moore's!). Please see Ann to buy your tickets. We will have a drawing for the machine at our quilt show.

Block Bazaar 2005 Viewers Choice Extended

If you made blocks last year for the block bazaar and have a quilt together from those blocks, please bring it to our next meeting for the challenge. Rosalie Liogys has extended the voting a month and she has great prizes to award our lucky winners.

Remember to bring in new 100% cotton fat quarters for our fat quarter basket and give them to Merci. Our goal is a basket with 200/250 FQ's. Wouldn't I like to win that!!

I am looking forward to Sharon Schamber's presentation and workshop. Her quilts are awesome. Check out her Best of Show winner on her website www.sharonschamber.com. Scarlet Serenade has several photos showing all the detail of this lovely quilt.

Until we meet again, lots of Quilting Hugs.

Happy Easter,

Carol Logue

Sunshine & Shadows

Sunshine and Shadows is a very important part of this Guild, as we remember those going through some difficult times, as well as those who have some positive happenings in their life. As the Sunshine and Shadows chairperson, I'm asking you to let me know when someone needs a card to cheer them up or share their happy moments. We want to share a new grandchild, graduations, engagements, weddings, etc. with the other guild members, so please call me or email me with any news about a Guild member.

Thanks. Happiness to you, *Linda Gray*

I can be reached at (714) 777-9354 or cnlgray@earthlink.net

Round Robin Anyone ??

The basis is simple, you provide a center block no larger than 12 "x 12" and members of the Round Robin create and apply a border to your block.

This Round Robin will have three borders. Turn in your center block at the April meeting and pick up your first assignment at the May meeting. For the June and August meetings, you will exchange for another block and again add a border. At the September meeting, you get back your original block with its new borders. You can add more blocks or borders if you wish and keep it or finish it for the Guild Auction.

Basic rules are simple!

- Use good quality fabric. Be creative and do your best.
- Have your borders turned in on time. Never criticize another person's block or border.
- Keep the Round Robin quilt safe and clean in the numbered bag provided.

Anyone may participate! Additional suggestions and guidelines will be provided with the blocks at the May meeting. .

Labels will be provided for each owner with participants signatures.

Workshop Tips

We're so grateful to Timeless Treasures for the use of the wonderful classroom. It offers all the amenities we need. Here are a few tips that will help you have a great day while attending a workshop:

1. As women, we all seem to operate at different body temperatures. Please remember to bring a sweater to the workshops, as some of us tend to feel hot while others are freezing.
2. If you like coffee/tea and morning snack, feel free to bring something. The guild does not provide this.
3. It is recommended that you bring a lunch. However, if you prefer, you can take a lunch break and go to one of the nearby café and/or sandwich shops.
4. Timeless Treasures does have a refrigerator, microwave oven and water and sodas that we can purchase for a very reasonable price, 50 cents.
5. Remember to move your car to the side street (Rose), after you unload your workshop supplies. Timeless Treasures would like to have parking space available for customers.
6. Let's leave the classroom nice and clean. Please pick up any mess we create while at the workshop and empty our trash cans.

Next time we are at Timeless Treasures, or in the area, stop by and thank them for this very generous service.

NEW MEMBER LUNCHEON CHICKEN RICE CASSEROLE

I bought the frozen casserole entrees, Milton's Chicken with White and Wild Rice in Cream Sauce from Costco. I defrosted both packages, and put them in a large casserole dish and added the following ingredients:

Add approx. 12 marinated artichoke hearts from Costco (chopped them into smaller pieces) (if they are in olive oil, you might want to take some of the oil out with paper towels)

Add 2 teaspoons of Emeril's Original Essence Seasoning (note: I bought it at Costco, but couldn't find it lately...You can get it at any of the regular markets)

Add 2-4 tablespoons of Kraft Parm Plus Italian Topping (Parmesan, basil, parsley and garlic) (Note: I had bought this at Costco also, but can't seem to find at any store now.. you could just use the above ingredients)

1 can of chopped water chestnuts (optional) Sprinkle paprika on the top, a few olives and bake as directed on the package.

It kind of looks like a lot to do, but it is very easy. Nancy

Does Anyone have a copy of **Snowflakes & Quilts** by Paula Nadelstern that I could buy ?

There were lots of tops, completed quilts and 4 pillow-cases turned in this month. All of the quilts that needed to be quilted were gone and that is good. Lewis a gift certificate from Leah's, Eva Jamar a gift certificate from M & L Fabrics and Jean Rosa a fat pack from Material Possessions.
